MOUs Signed by Department of Computer Science

To have a better interaction between academic institutes and the industries is the today's need. For students, it is necessary to have an industry knowledge/exposure with strong academics. On the other hand, industries are also in need of students with sound academics and with some industrial touch So, the aim of signing MOUs with various industries is to encourage the interaction between the academic and Industrial fields. It helps to bridge the gap between the industry, the real world and the institute. For faculty also, industrial exposure is very much helpful to guide students about latest industrial practices.

Objectives :

- To enhance students' skills and knowledge.
- To give an insight into the latest developments/requirements of the industries.
- To promote industrial training/visits.
- To help the delivery of the Internship.
- To help the students for their placement.
- To arrange guest lectures on technology trends.
