BEST PRACTICE

AWARENESS WORKSHOP ON USING ECO-FRIENDLY CLAY IDOLS FOR LORD GANESH - 16 TH AUGUST 2023

Department of zoology initiated an awareness program on saying yes to eco-friendly clay idols for Lord Ganesh ceremony to reduce pollution caused by non biodegradable materials.various service indicate that there is a significant increase in water, air and noise pollutions during and just after the festival.But any celebrations should not harm, hurt or disturb any one right from aged to children and also to our precious ecology.It is our responsibility to make use of eco-friendly festivals in a larger way.So that there will be a pollution free atmosphere any where and we can celebrate it with out any harm to our environment.

We can make eco-friendly ganesh idoles with mud/clay or turmeric or flour.Be the change Go For Green (clay) Ganesh.Be Eco-Friendly.....Go Eco-Friendly.....
