TOT-BOTANY

We are delighted to share that the recent ToT session on Botany was a resounding success! Hosted by the diligent team at the CCE, this event brought together our esteemed Botany faculty members.

During the session, our faculty members engaged in enriching discussions, explored cutting-edge research, and deepened their understanding of plant biology. The topics covered ranged from plant physiology to ecology, and from taxonomy to biotechnology. It was heartening to witness their enthusiasm and commitment to enhancing their teaching methodologies.
