S to S Programme (Guest Lecture)

Dept of Mathematics, GDC, Narasimhapeta has been conducting the Best Practice by the name of "S to S Programme" since from last ^{two} years.

As usual this year also this Programme was done by our students. In this Programme, each intelligent student was given a group of other students. This intelligent teaches & educates in all aspects to the rest of the students. Also he learns through group discussions.

In addition to this year, there were some competitions has conducted for Juniors (Intermediate students) by our students by the name of "MATH Scholars Circle" on the eve of mathematics day celebrations.

In addition to this year, as a part of "S to S Programme", we are also presenting "Analytical skills" to our current students by our Passout (old) students.

In this connection, our old (Passout) student S. Santosh has gave guest lecture on "Analytical skills" to our present students.
