

SAVE SOIL

17th June 2022

Department of Mathematics, G.D.C., Narasannapeta organized Save Soil Week in our College. As per the circular dated 2-6-22 of The CCE.

The Students were made aware of the depleting soil levels across earth and how we can all come together to help sustain it. (Save is global movement launched by Indian spiritual leader Sadhguru to address land degradation and advocate for healthy soil)

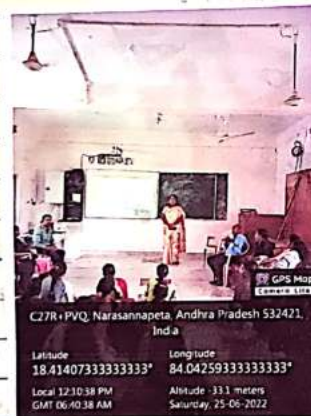

During the week long programme videos were shown to the students and staff to make them aware of the cause posters were displayed in a library room to explain the importance of the Save the Soil movement.

Students also went around the streets of town shouting slogans to help people know about the seriousness of the soil degradation.

Finally the staff and students were encouraged to sign up for the Save Soil movement as an Earth Buddy in the given website.
