

S TO S PROGRAMME (POWER POINT PRESENTATION)

17

27-11-2021

Department of Mathematics, G.O.X, Narasannapeta has been conducting the best practice by the name of 'S to S programme' since from last ~~five~~ years.

As usual this year also this programme was done by our students. In this programme each intelligent student was given a group of other students. This intelligent teaches and educates in all aspects the rest of the students also to be learned through group discussions.

In addition to this year as part of 'S to S' programme our final B.Sc students of Maths presented a power point presentation to their juniors. In this regard they presented the topics what are the uses of Mathematics in our daily life and how differential equation are used in our daily life.
