**NATIONAL
 SCIENCE DAY 2024**

Brief Note on Activity:The National Science Day celebration will feature a series of engaging online events to promote scientific awareness and education. The festivities will include a live video stream presentation on "Indigenous Technologies for Viksit Bharat" of the inauguration ceremony, followed by an insightful webinar on "Digital Well being – Navigating the Challenges and Opportunities of the Digital Age" (R.Kartheek-Digital Marketing Evangelist, Visakhapatnam) the latest advancements in science and technology. Renowned scientists and experts will deliver guest lecture on Artificial Intellegence& ML by Dr.G.Rama Krishna ,Asst.Prof., Dr.BRAU, Srikakulam, offering valuable perspectives on how science influences various aspects ofAI daily life and contributes to global development and peace.

Additionally, an online quiz competition will test participants' knowledge of scientific concepts and discoveries, fostering a spirit of curiosity and learning. An essay writing contest on the theme "Science and Technology for Sustainable Future" will encourage students to express their thoughts and ideas on the pivotal role of science in shaping a better world. These events aim to inspire and engage the audience, highlighting the significance of science in our lives and motivating future generations to explore scientific endeavors.

Objectives: The National Science Day celebration are to highlight the importance of science and technology in daily life, promote scientific awareness, inspire students to pursue scientific careers, and emphasize the role of science in advancing human development and world peace.

Outcomes: Enhanced understanding of scientific applications, inspired student interest in science, and promoted community engagement in scientific discussions and innovations.

FEEDBACK: Students highly appreciated the National Science Day celebration events. The live video stream and online webinar provided a dynamic platform for learning, with students finding the discussions on recent scientific advancements particularly enlightening. Guest lectures by esteemed scientists were highly praised for their depth and relevance, inspiring many to consider careers in science and technology. The online quiz competition was a highlight, engaging students in a fun and challenging way, while testing their knowledge of various scientific topics. The essay writing contest on "Science and Technology for Sustainable Future" received enthusiastic participation, allowing students to creatively express their ideas and concerns about the role of science in society. Overall, students felt that the events were well-organized and educational, offering a comprehensive understanding of how science and technology impact everyday life and contribute to global progress. The celebration fostered a renewed enthusiasm for scientific inquiry and highlighted the importance of continued learning and innovation.

WorkShop NATIONAL SCIENCE DAY CELEBRATION-2023

13

Date: 28-02-2023

Department of Botany & other Science departments GDC, Narasannapeta on the occasion of National Science Day-2023 celebration, a Science Exhibition & PPT presentation was organized at our college. The theme of exhibition was "Impact of Climate change on Science and Technology". The exhibition was inaugurated by the chief guest Dr. D. Vishnu Murthy, Professor & Dean ATARS, Tekkali.

The exhibition featured a wide range of models, poster presentations & annotations created by students and participants from various educational institutions. The Principal our college Dr. Alatha madam gave her opening remarks about the 28th February every year to mark the discovery of the Raman effect by Indian physicist Sir C.V. Raman. The history and importance of science & technology. The chief guest Dr. D. Vishnu Murthy delivered a keynote address emphasizing the importance of science & technology experiments in achieving sustainable development and urging the participants to continue their pursuit of knowledge and innovation.

As a part of the Science Day Science Association conducted "Power Point Presentation Competition and Online Quiz". A total 216 students and staff members participated in the event. Prizes were distributed to the winning students (Poster presentation & PPT Presentation) by the chief guest & Principal.

The event provided a platform for students and researchers to showcase their ideas and innovations and fostered a spirit of inquiry and scientific curiosity.

WORKSHOP

International Women's Day
09/03/2023

The Women Empowerment Cell conducted International Women's Day on March 09, 2023. Two eminent Guests were invited for the Program to motivate and inspire our students with their valuable messages. The theme of 2023 is "Accelerating Equality & Empowerment". Both our guests sensitized the students about the Power of Collective Action to drive progress towards gender Equality and empowerment.

As a part of the Celebrations our students organised food Exhibition wherein several items of local traditional values were exhibited and also explained their nutritive value to the guests, teachers and they further students some traditional food items were also displayed. Songs Dedicated to women, movies and singing the Girl Child song by some of our students.
