

## **FIELD TRIP TO NAIRA COLLEGE**

A field trip to agricultural college , naira Srikakulam dist organized by the department of physics for the benefit tp B.SC (MPC&MPCS) students to naira on 6<sup>th</sup> January 2022 along with Sri .Dr.J.V.V.N.Kesavarao , principal and staff members. The objectives of the trip was to get know the college in more details Intermis of the faculty operation, to get exposure on soil physics, windvane, sunshine recorder. The observations that they made were noted in the field notebook. Around 40 students with their faculty attend for on this trip.

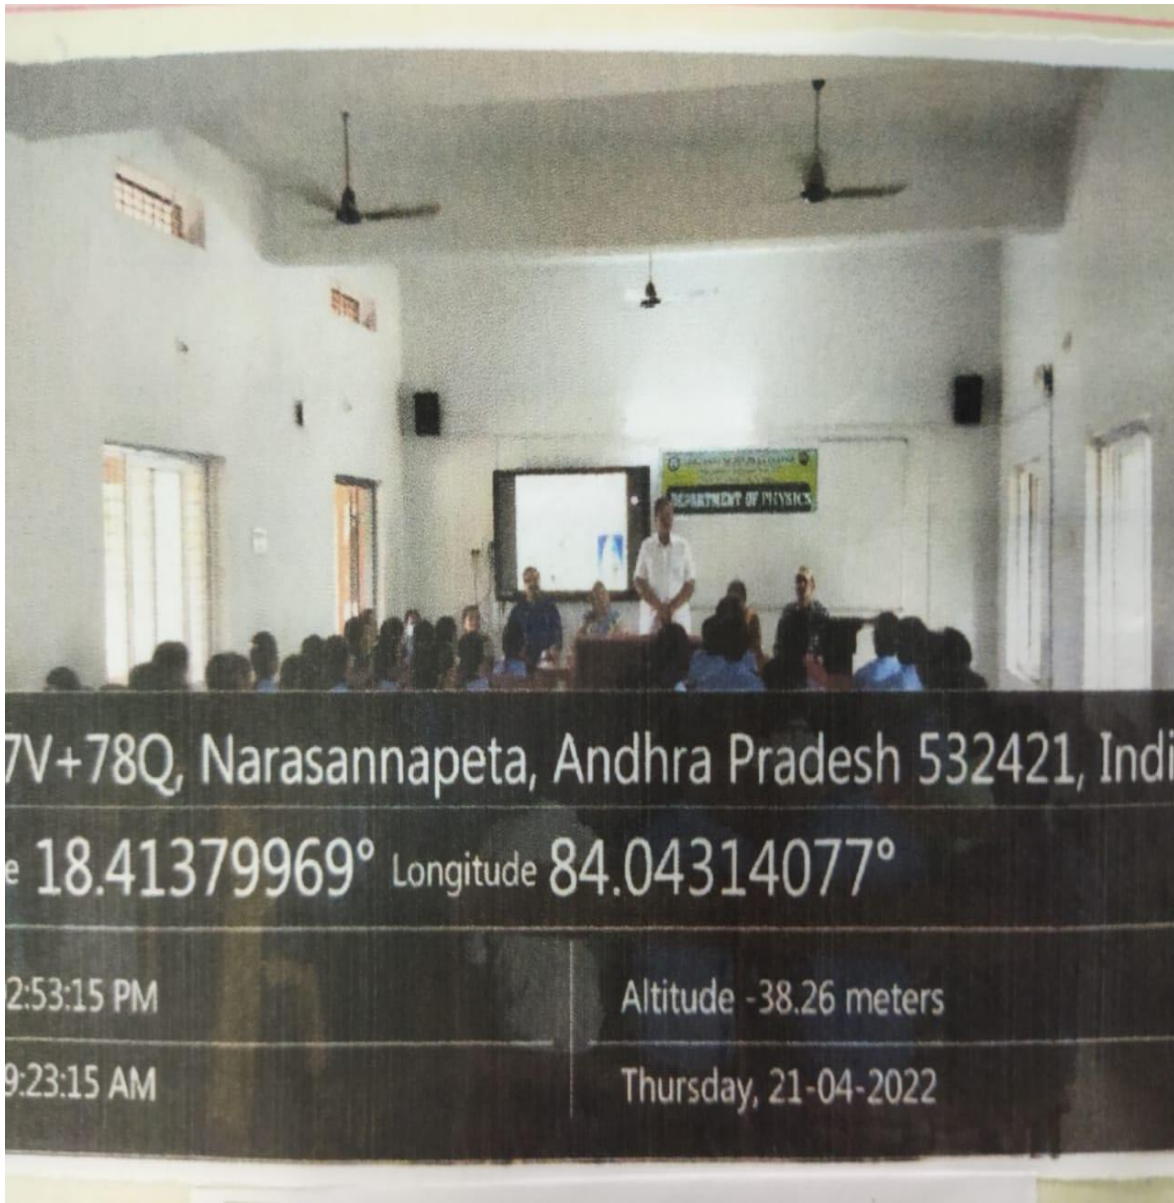

# **NATIONAL SCIENCE DAY**

The department of physics conducted 'NATIONAL SCIENCE DAY' to commemorate scientist C.V.Ramans 1928 invension RAMAN EFFECT. The principal of the college Sri.Dr.J.V.V.N.Kesavarao addressed the students and motivated . The students to take part in the filed of science and urgethe students to take part in designing innovative science projects. In this programme some interested students are given speech on biography of C.V.Raman. The students eagerly participated in an district level online quiz conducted by the department.

## **WORLD EARTH DAY**

Department of Physics. Govt.Degree college,Narasannapeta conducted "WORLD EARTH DAY 2022" ON 21-04-2022 in our college. The principal our college Dr.J.V.V.N.Kesavarao gave his opening remarks to create awareness about environmental protection and global climate crisis. After that Sri.P.Dhilliswararao lecturer in physics aware the students of how they can be an asset is saving the earth from pollution, global warming, ozone layer depletion etc... A total of 60 students participated in the event.

## **WORLD STUDENT DAY**

Department of Physics. Govt.Degree college,Narasannapeta conducted "WORLD STUDENT DAY 2022" ON 15-10-2022 in our college. The principal our college Smt.M. Shanthi Ham gave his opening remarks to create awareness about "WORLD STUDENT DAY ".Dr kalam always believed that students are the future and they possess the progressive minds that would take our country and the world forward to new heights of success. World student day is observed on the birth anniversary of Dr.APJ ABDUL KALAM. A total of 40 students participated in the event.

## **C.V.RAMAN BIRTHDAY-2022**

Department of Physics. Govt.Degree college,Narasannapeta conducted Sir C.V.Raman birth day on 07-11-2022 in our college. The principal our college Dr.P.Latha gave his opening remarks to create awareness about C.V.Raman for his work in the field of light scattering using spectrography that of my failure... if I never fall how will I ever learn.. After that Sri.P.Dhilliswararao lecturer in physics aware the students of how they Raman effect. A total of 50 students participated in the event.

# **NATIONAL ENERGY CONSERVATION DAY**

Department of Physics. Govt.Degree college,Narasannapeta conducted NATIONAL ENERGY CONSERVATION DAY on 14-12-2022 in our college. The principal our college Dr.P.Latha gave his opening remarks to create awareness about “NATIONAL ENERGY CONSERVATION DAY” renewable energy is a super smart choice for humans and the environment. The big benefits of using renewable energy resources for our energy supply. Most of the sources of non renewable energy are fossil fuels such as coal, gas and oil .A total of 60 students participated in the event.
