Syllabus

Syllabus	OUTCOME
MICROSOFT PUBLISHER	It's not just about clicking "post" or "share"; it's the series of actions guiding a brand's commercial and editorial direction. It's figuring out what format the content you want to create should take, and where it should live, based on audience/consumer behavior
PHOTOSHOP BASICS	The Content Aware Move tool allows you to choose an element to transfer from one photo to another, placing it seamlessly so that it looks like it naturally belongs. This tool makes it possible to do so without needing professional-level Photoshop skills.
MOBILE APPS (INSHART) and video editing softwares .	Video editing software, or a video editor is software used performing the post-production video editing of digital video sequences on a non-linear editing system. It has replaced traditional flatbed celluloid film editing tools and analog video tape editing machines.
