

2020-2021

Awareness Programme For Central Universities Entrance Preparation (Career opportunities) (online mode)

Dept of mathematics, GDC, Narasannapeta is organised a Career Awareness Programme for central universities Entrance Preparation to all the students of II & III year mathematics Branches. It is a motivation class by Dr. G. Soenivasulu, Director of GSN Academy, Tirupathi. It is very useful to those who are going to higher education in Mathematics.

In this pandemic situation, we are organising this programme through digital mode (online mode) with using digital class room.
