SFS Programme

Dept. of Maths, G.D.C., Narasannapeta started a Best practice by the name "SFS programme". In this activity, selected leaders will form with some another students. They will guide & share their knowledge to the weak students. Also the leaders take responsibility to their team other persons. Every group discussing not only subject also observing discipline, regularity working etc---. In this connection we are divided the students into some groups in different sections also our students conducting some competitions, other students in our college and out of the college.
