

ACTIVITY - 3

(Student Seminar) 10-10-2018

Department of Mathematics, G.D.C. Narasimhapeta,
Conducted Student Seminar on Numerical analysis
on 10-10-2018. Final year students
participated in this seminar. 18 students
are participated in this seminar.

Topic: Numerical analysis

SubTopic: Lagrange's interpolation formula
on Unequal intervals
by J. Tanuja.

SubTopic: Newton Backward formula
for equal interpolation by
P. Arun III BSc (MPC)

Signatures of the Students:
